

Development resources and e learning available

- www.cis-assessment.co.uk - The Common Induction Standards online assessments. Designed to support existing induction programmes, whether taught, e learning or both and provide a reliable method for benchmarking and tracking staff development.
- www.scils.co.uk - Scils provides a wide range of learning and development solutions for staff throughout health and social care.
- www.nmds-sc-online.org.uk - In order to access funding through Skills for Care organisations need to complete the Organisational Questionnaire. This can be done online and the website has guidance notes in the resources section to help you complete the data set. Care Focus can also support you with this.
- www.carefocussomerset.org - This website provides you with information, advice and guidance on social care workforce development and an on-line discussion forum amongst other things.
- www.kwango.com/somsafeadlogin - **Safeguarding Adults e-learning**
